

CALL 4 APPLICATION FOR UON STAFF; BEST SLOGAN/TAGLINE TO CELEBRATE UON@50

From July 1, 2020 to June 30, 2021, the University of Nairobi shall be having a year long 50-year Anniversary Celebration. More on this later.

For now, we need your help to come up with a catchy, exciting, inspiring (you get the idea) slogan or tagline that we shall use all year along.

Let your creative side kick into high gear. Send us your proposed slogans/taglines to dvcrie@uonbi.ac.ke. A committee will compile a short-list of the best candidates and then the Senate shall have the difficult task to choose the one that carries the day.

The creator of the winning Slogan will be recognised and awarded a small token cash prize. The slogan shall become the intellectual property of the University.

We keenly await your entries to dvcrie@uonbi.ac.ke.

Deadline August 21, 2020. This competition is open to University Staff Members Only.
